

The background of the poster features a central image of a silver and black karaoke microphone. The microphone is positioned diagonally, pointing towards the bottom right. Behind the microphone is a large, glowing blue and orange ring, resembling a planet's horizon or a stage light effect. Three spotlights are visible: one at the top center, one on the left side, and one on the right side, all casting beams of light towards the center. The overall background is a dark blue gradient.
